

# “60 YEARS STRONG” : A DIAMOND MILE STONE FOR PRA

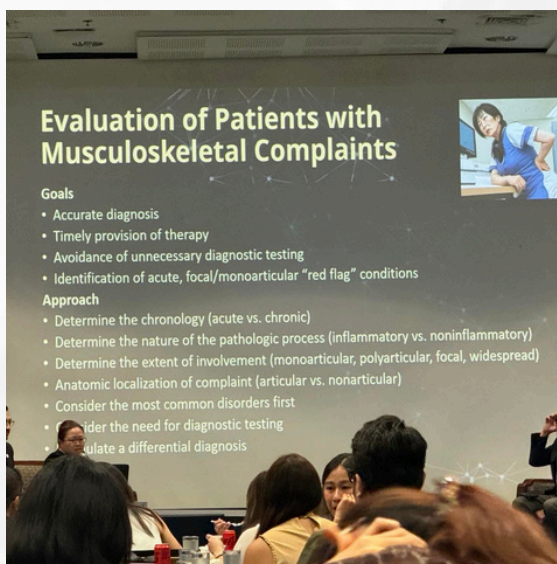

BY: SEPHORA J. MATILOS

## DIAMONDS ARE FOREVER

Last September 17, 2024, Rheumatologists from different cities and provinces gathered at Unilab Bayanihan Center, Pioneer, Mandaluyong City, to commemorate a remarkable milestone, the 60th anniversary of PRA. They celebrated six decades of dedication, innovation, and progress.

Like a diamond, formed through time and pressure, PRA has been shaped by challenges, triumphs, and an unwavering commitment to excellence. Over the past sixty years, PRA has not only grown but also pioneered advancements, leaving an indelible mark on the industry and the communities they serve.

## GROUNDBREAKING INITIATIVES

In line with this celebration, the chapter has prepared a two-day series of lectures in line with the theme “Unraveling the Spectrum of Gout & Chronic Pain and Beyond”, to continue delivering cutting-edge solutions that meet the evolving need of the patients.

# LOOKING AHEAD : A BRIGHT FUTURE

While the Diamond Anniversary is a time to reflect on the rich history of Rheumatology in the Philippines , it also marks the beginning of a new era. PRA remains committed to innovation, sustainability, and excellence, continuously evolving to meet the changing demands of the industry.

As we embark on the next chapter, we do so with confidence, knowing that the spirit of collaboration and innovation that has defined the past six decades will continue to shape our future.

Here's to another 60 years of vision, innovation, and success!
